

Dear Dorset Theatre-Goers,

I hope this letter finds you well and enjoying the wonderful sunshine, along with the welcome rain for our gardens!

Our recent Sonning show proved to be a lively and exciting show. I sincerely hope you all enjoyed it as much as I did. It's always a pleasure to gather at such a unique theatre, and, of course, to enjoy the super lunch that accompanies our outings there.

We were able to run 2 coaches to Sonning and we have decided to continue running 2 coaches until our next AGM. However, this does have financial implications for our club accounts. So, I kindly request that each of you continue to invite guests to join us, helping us fill both coaches and, hopefully, attracting new members to our wonderful club!

I am happy to announce that booking forms for September, October, and November are now available online. Additionally, we have an exciting show lined up in Southampton called 'Cirque,' featuring fire jugglers, acrobats, and musical theatre at The Mayflower Theatre. I highly recommend considering this captivating performance.

Looking forward to seeing some familiar faces when we go to Woking.

Wishing you all a wonderful summer.

Kind regards,

Dee Bonham Christie
