Ira Levin's classic thriller has never failed to keep audiences on the edge of their seats.

Sidney Bruhl, a once-successful playwright now struggling for a hit, has invited the younger and aspiring writer, Clifford Andersen, to his home to discuss Clifford's brilliant new play. However, as the night unfolds, it becomes clear that things are not as they seem. As the tension builds and dark secrets are revealed, Sidney and Clifford become embroiled in a deadly game of cat and mouse.

With unexpected plot twists, clever dialogue, and plenty of suspense, DEATHTRAP is a thrilling theatrical experience that will leave you guessing until the very end.
